Informed Consent Form, Gut Microbiota Study

Collection of stool samples for gut microbiota analysis

I have been informed to my satisfaction, both in writing and verbally, about the gut microbiota study. I have been given sufficient opportunity to ask questions and to consider my participation.

My participation is entirely voluntary. I am aware that I may withdraw my participation in parts of the 100-plus Study at any time, without giving reasons.

I am aware that the results of the gut microbiota analysis will not be disclosed to me or to my GP.

I consent to the collection of feces (stool) for research purposes and to its storage.
